SESUG 2025 VFL Instructions

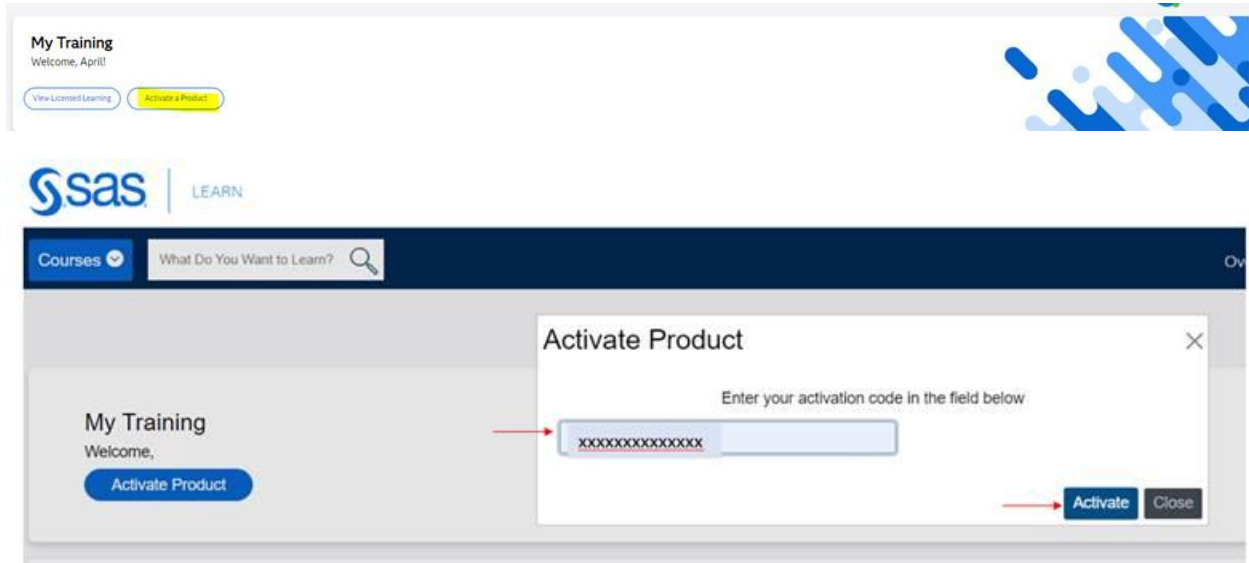

Instructions:

1. **Sign into your SAS Profile at: <https://www.sas.com/profile/>**
 - o If you do not have a SAS Profile, you will need to create one.

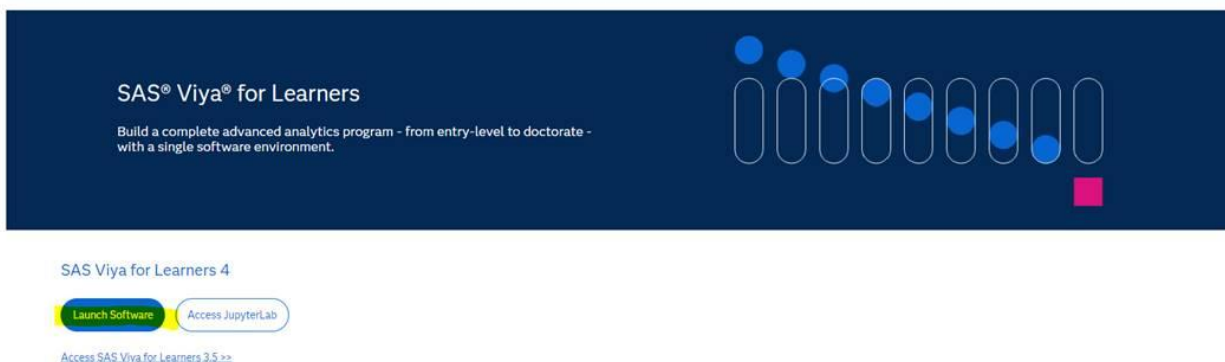

A screenshot of the SAS 'Sign in' page. The page has a white background with a dark blue header area. The main content area is white. At the top, the text 'Sign in' is centered. Below it, there is a text input field labeled 'Username/Email'. Under the input field is a checkbox labeled 'Remember me'. Below the checkbox is a dark blue button with the text 'Next' in white. Below the button, there is a paragraph of text: 'Users authenticating with single sign on using their corporate login credentials will be passing their name, email address and country to SAS under the terms of the SAS Privacy Statement and agree to comply with the SAS Terms of Use.' Below this paragraph are two links: 'Forgot password?' and 'Need help?'. At the bottom of the page, there is a light blue section with the heading 'New user?'. Below the heading is a paragraph: 'A SAS Profile gives you quick and easy access to SAS communities, technical support, software downloads and hot fixes, training, newsletters and more.' Below this paragraph is a blue button with the text 'Create profile' in white. At the very bottom of the page, there is a small footer with the text 'Privacy Statement | Terms of Use and Legal Information' and 'Copyright © SAS Institute Inc. All rights reserved.'

2. **Access your 'My Training' page via the new My Training Dashboard at: <https://learn.sas.com/my/>**

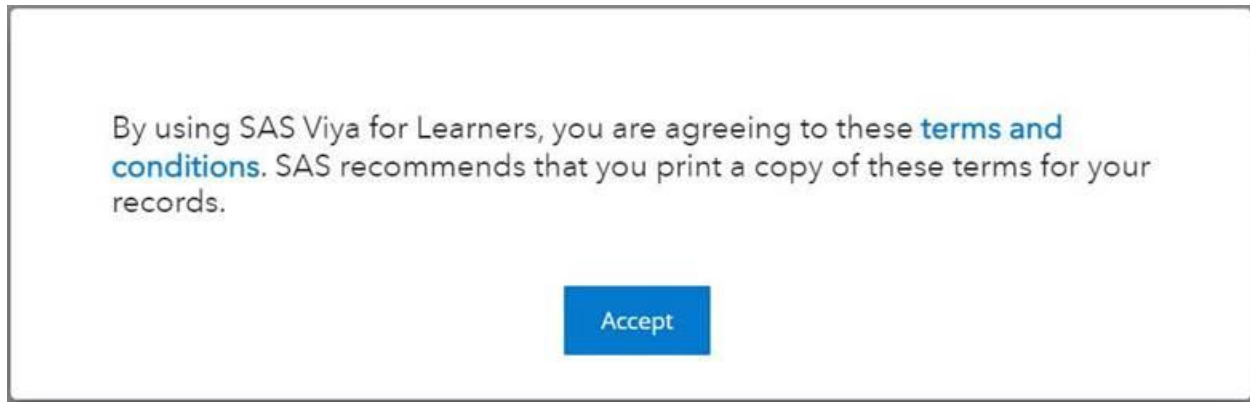

3. **On the ‘My Training’ page, input/submit the Activation Code: FS00760405134**
(the Event Leader should have provided the Activation Code to you)
 - o Note: The code has an expiration date- October 3, 2025

4. **Accept/Submit the SAS ‘My Training’ Licensing Agreement**
5. **You will have access to the SAS Viya for Learners Launch**
Page: <https://learn.sas.com/vfl>
 - o Going forward: **You will use the above SAS VFL Launch Page, each time that you want to access SAS Viya for Learners**
 - o Click the **‘Launch’ button** to Launch VFL

6. Read/Accept the SAS Viya for Learners Licensing Agreement

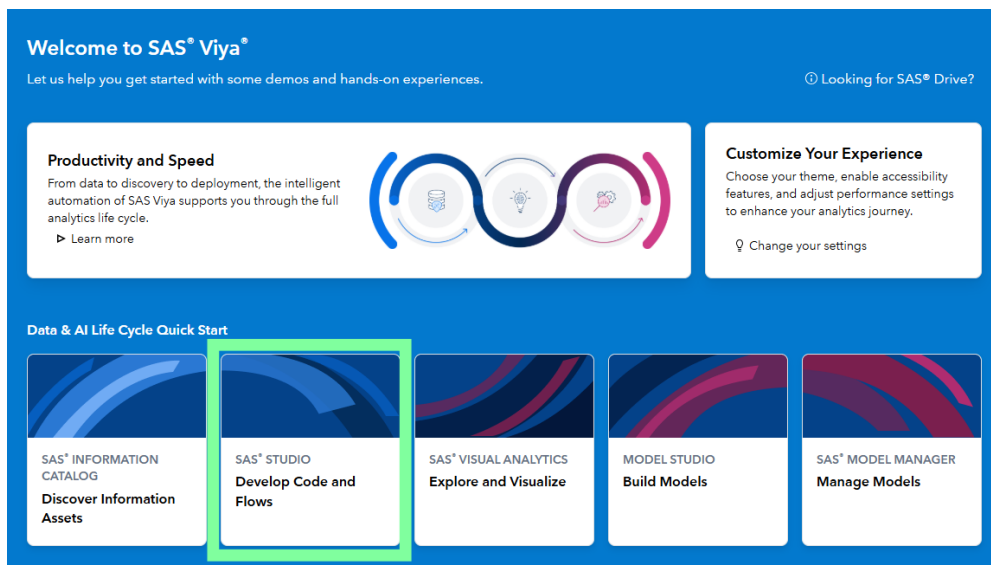

7. Access to SAS Viya for Learners

- You may be taken through a quick tutorial about SAS VFL when you initially arrive in VFL. You can opt to skip it, if you want.

SAS Macro Case Study Setup

Navigate to SAS Studio in SAS Viya for Learners.

In VFL, navigate to the Explorer> click the New icon> select Folder.

Explorer

- ▶ My Favorites
- ▶ Folder Shortcuts
- ◀ Files
- ◀ Home

Explorer

- Folder
- Folder shortcut

Name the new folder **SESUG_MacroCS**.

Explorer

- ▶ My Favorites
- ▶ Folder Shortcuts
- ◀ Files
 - ◀ Home
 - ▶ AirTraffic
 - ▶ casuser
 - ▶ Choc
 - ▶ Courses
 - ▶ SESUG_choc_enterprise
 - ▶ SESUG_choc_output
 - ▶ SESUG_MacroCS
 - ▶ Blog.sas
 - ▶ SESUGSSV.sas
 - ▶ Solution.sas
 - ▶ SSVBlog4.sas
 - ▶ StarterProgram.sas

Click on the **SESUG_MacroCS** folder and again click New> Folder and create a subfolder named **autocall**.

Explorer

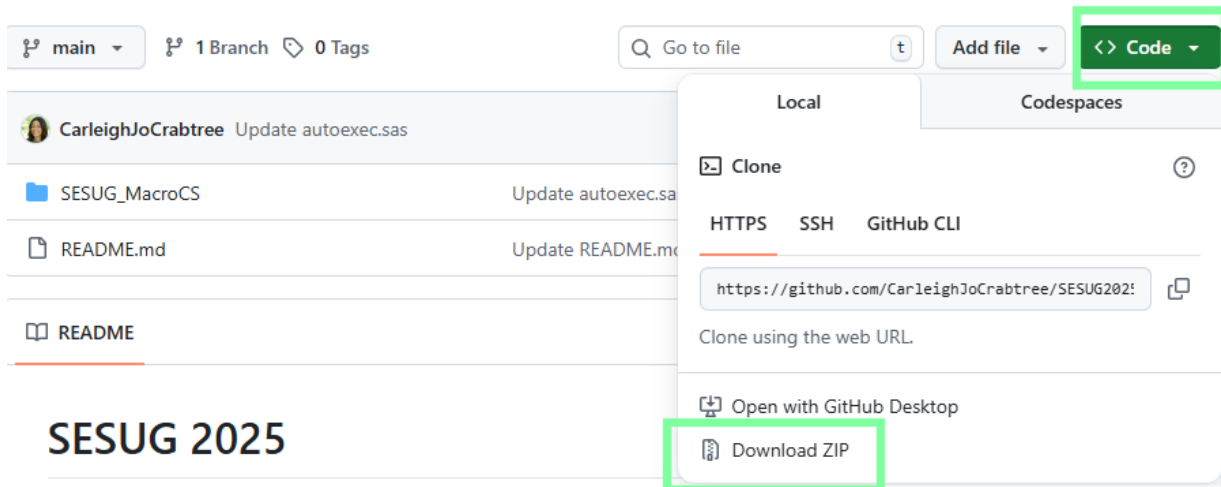

- ▶ My Favorites
- ▶ Folder Shortcuts
- ◀ Files
 - ◀ Home
 - ▶ AirTraffic
 - ▶ casuser
 - ▶ Choc
 - ▶ Courses
 - ▶ SESUG_choc_enterprise
 - ▶ SESUG_choc_output
 - ▶ SESUG_MacroCS
 - ▶ autocall

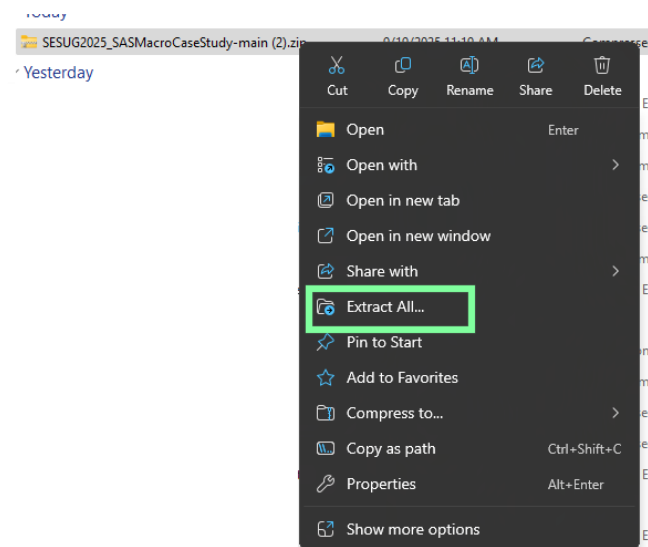

Navigate to GitHub:

[CarleighJoCrabtree/SESUG2025_SASMacroCaseStudy: SESUG 2025 SAS Macro Case Study](https://github.com/CarleighJoCrabtree/SESUG2025_SASMacroCaseStudy)

Download the files

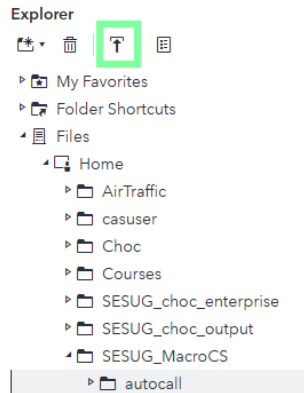

Unzip/ Extract All files to your location of choice

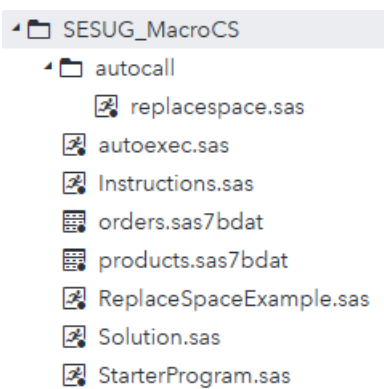

In VFL, upload **replacespace.sas** to the **autocall** folder. Upload **all** other files/data to the **SESUG_MacroCS** folder.

Click on a folder> Upload button> Select files to upload to that folder

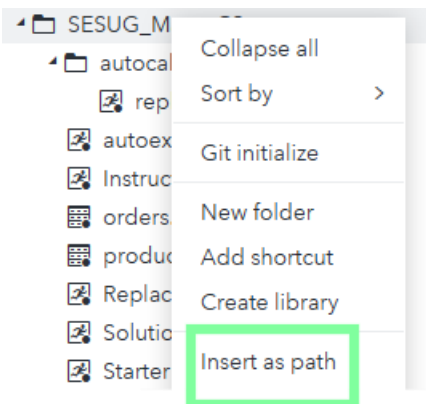

Final folders with programs/data:

Open **autoexec.sas**.

On line 1 after path= but before the semicolon, put your cursor. Right click on the **SESUG_MacroCS** folder and click Insert as path. This will paste the correct path.

Run the program.
